One Step Challenge: Worship Participation

- I will participate three to six times a year.
- I will participate in worship once a month.
- I will participate in worship twice a month.
- I will participate in worship three times a month.
- I will participate in worship four times a month.
- As my health permits, I will never miss the practice of worship.
- Worship will be a priority in my life, growing to include the following: I will be passionate about worship as a true priority of my life. I will not allow minor things to keep me from making worship an active part of my life. I will prepare for the sabbath the day before, so that I can participate in an intentional time of worship without last-minute rushing. Through worship, I will seek to find strength, power, and direction to face the week.
